RE: 15-FOIA-137 General Contractor Info - Waukegan Metra Station Remodel

Dear Mr. Trevino:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On July 9, 2015, we received your request for the name and address of the General Contractor awarded the above-referenced project. Additionally, you requested the same information if the electrical scope of this project was awarded separately (“**Request**”).

In response to your Request, Metra’s Procurement Department advises that the name and address of the General Contractor awarded the entire Waukegan Metra Station Remodel project is:

Rasch Construction & Engineering
4715 Green Bay Rd.
Kenosha, WI 53144

If I can be of further assistance to you, please do not hesitate to ask.

Sincerely,

Kathleen E. Haton
