To Whom it May Concern:

Under the Freedom of Information Act, ABC 7 Chicago is requesting any train video from a shooting that occurred at the Lake Cook Station in Deerfield on Friday, January 6, 2017 around 10:30pm.

According to authorities, South Suburban Crimes Task Force Agents shot and killed a suspect on board the train that night. We are looking for any internal or external surveillance video.

We have also FOIA'd any 911 calls made to Deerfield. Would there have been any made through Metra Police that we could request as well?

Please reply all,

Thank you,
