Re: Freedom of Information Act

To Whom It May Concern:

Pursuant to the Illinois Freedom of Information Act, I request copies of documents sufficient to show the following information on board members who are a part of any of your agency's pension plans — including, but not limited to, in-house, supplemental, board or self-managed pension plans.

For each board member, I am seeking:

Total disbursements to date, the most recent annual disbursement, any and all contributions, any and all years of service or credits purchased, and any and all other government time bridged.

Please include first names, last names, middle initials, start dates, end dates, titles and the final annual salary on which the pension is based.

Moreover, as you know, the Illinois Freedom of Information Act requires that all non-exempt portions of any partially exempt record must be disclosed. Further, the Act requires that your office respond to this request within five working days after receipt. Since I work for a nonprofit organization, I ask you

waive the processing fees. Please respond electronically to the account shown below. If a hard copy must be produced, please send me a cost estimate. This information may be used for a news story.

If you have any questions about this request please call me.

Sincerely,

Patrick Rehkamp
