RE: 17-FOIA-003 Deerfield incident 01/06/17

Dear Ms. Rios:

We are in receipt of your request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* (“FOIA”).

On January 9, 2017, we received your request for internal or external surveillance video as well as any calls made to Metra regarding an incident which occurred on January 6, 2017 at the Lake Cook Metra Station in Deerfield (“Request”).

After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request. Metra’s Police Department does not have any of the requested records. You may contact the Illinois State Police as they are the primary investigative unit for this matter.

Additionally, the Metra Police department informs us that any emergency calls to 911 would have been routed to the local jurisdiction in which the incident occurred and this part of the request can be directed to the FOIA department with the Deerfield Police.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Sonsere Hatch

Freedom of Information Officer
