RE: Real Estate Purchase/ 28-08-316-007-0000  
10131 S. Ridgeland, Chicago Ridge, IL

Dear Ladies/Gentlemen,

Please be advised that I represent Mr. John Egan, dba Bally Builders Inc., the current owner of the referenced property. Mr. Egan is currently involved in a law suit with the former owner, a Kenneth DeVries, concerning certain misrepresentations made by him as to the quality of the subsurface of the ground making up this parcel.

It was recently disclosed by Mr. DeVries that in 2001 or 2001 Metra was considering purchasing this property and was in possession of certain soil reports prepared in the preliminary stages of the contract negotiations.

My client is interested in obtaining copies of these reports from Metra. Please advise if these documents are in the possession of Metra and what may be further required of Metra to obtain them.
