Subject: 203rd Street Station

To whom it may concern,

My Name is Lee Langon and I live [REDACTED] in Olympia Fields along with several other homes.

This Pond is full of Algae and is a hot bed for mosquitoes and other insects and smells horrible. It's not only an eyesore, it's a health hazard. This Pond needs to be addressed asap. It needs to be cleaned, serviced and some type of aeration installed.

Please forward this urgent request to the proper person to address this Pond issue.

Thank you for your time and consideration.

Lee Langon
President,
Olympia Club Homeowners Association
