RE: 15-FOIA-225 RTA Pension Information

Dear Mr. Siriano:

We are in receipt of your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On October 26, 2015, we received your request for any and all information related to the RTA Pension plan in which Metra non-contract employees are participants; including but not limited to: participant (employee) qualifications, which employees can participate, employer benefit contributions and projected plan payments (“**Request**”).

We sent you an email on November 4th, asking if you would consider narrowing down the scope of your request from “any and all information related to the RTA Pension Plan” to only the RTA Pension Plan, which would include participant (employee) qualifications, which employees can participate, employer benefit contributions and projected plan payments. You responded to our email later that same day, agreeing to narrow the scope of your request as referenced above.

In response to your Request, Metra is providing you with a copy of the RTA Pension Plan Actuarial Valuation Report as of January 1, 2015, containing the requested information regarding: participant (employee) qualifications, which employees can participate, employer benefit contributions and projected plan payments.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Kathleen E. Haton
