RE: 19-FOIA-160 Details on Highliner 1500 Series

Dear Niall:

We are in receipt of your request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On June 14, 2019, we received your request for as much information as possible regarding Highliner 1500 series passenger cars; specifically, you asked for details on the trucks and car connections (“**Request**”).

After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request. Metra’s Mechanical department advises that the last Highliner 1500 series cars were removed from service approximately 2 years ago and the informational documents related to that series were not retained.

If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Angela K. Ollie". The signature is fluid and cursive, written in a professional style.
