Re: [REDACTED]
Location: Metra Station, near the Michigan Ave. South Water St. entrance
Date of Incident: 1/15/2015

To whom it may concern:

On January 15, 2015, [REDACTED] was sitting on a bench inside the Metra Station located inside Millennium Station, at or near the entrance/exit at South Water Street. Upon information and belief [REDACTED] abused and assaulted [REDACTED], causing him to be injured and taken to the hospital for treatment. There is a dispute as to what initiated this incident, and thus we are requesting any and all surveillance video footage and audio that would accompany it (we have been informed there is surveillance footage of this incident), incident reports, physical evidence, and photographs.

We have not yet received a police report stating the exact time at which this incident occurred.

If this request is still overly broad I will again narrow the scope of the request.

Thank you very much
