On December 20, 2016, we received your request for a line and price breakdown of the contract awarded for IFB #23872 ("**Request**").

In response to your Request, Metra's Procurement Department advised that the contract award for IFB #23872 was split between your company, Roemer Industries, and Power Parts Sign Co. As such Metra is providing you with Exhibit 1-M, Bid Pricing List for both contract award winners.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,
