Good afternoon FOIA Department,

First off thank you very much for your past returned calls and support.

Attached is the current Invitation for bid for the **"Railroad and Highway signs and related items"** contract along with the current pay items.

I would like to ideally request information from the past 2 contracts. The current contract is great information but the information from the previous contract (if possible) would provide me with very valuable historic information regarding pay item cost increase for the ***Railroad and Highway signs and related items contract.***

In addition I would like any other information that pertains to this contract that you can legally provide me with. We are a new vendor to Metra so I am uncertain at this time what is available.

Please let me know if there is any other information that you need from me.

Thanks in advance for your efforts.
