To the FOIA Officers,

Pursuant to the Freedom of Information Act, I am requesting electronic records of salary information for all Metra employees dating back five years – between 2012 and 2016. Year by year, I want to see the name of the employee, the employee's title, the department, the starting date and pay for the year, including any overtime. In cases where employees receive both a base salary and overtime pay, please list them separately, along with the total. In cases where employees receive both a base salary and a bonus, please list these separately, along with the total.

I appreciate your help, and please call me with any questions at the numbers below.

Best regards,

Mary Wisniewski
