---

Hello,

I'm conducting a cost study project concerning American commuter rail systems. I was hoping you would be able to provide me with more detailed information regarding Metra's operating expenses. Any additional data regarding what constitutes Metra's operating expenses would be greatly appreciated for my analysis. I reviewed the operating budget posted on the company website, but I was interested in specific items such as:

- Rolling Stock
- Utilities
- Track Materials
- Maintenance Services
- Employee Expenses - Meals
- Uniforms
- Office Supplies & Expenses
- Delivery & Distribution
- Janitorial Services
- Small Tools & Misc Equipment
- Bridge Structure Material
- Bridge Ties and Timber
- Cross Ties - Road
- Switch Ties
- Rail - New

Thank you in advance.

Sincerely,  
Max Gevirtz
