Dear Ms. Harrmann:

I am receipt of your March 25 response to my March 2 request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* I would like to clarify/correct this March 2 request and request to obtain copies via email of the following public records pertaining to the Millennium Station Concourse (f/k/a Randolph Street Station):

- Request for Proposals (RFP) published in January 2005 for the “leasing and management of Randolph Street station leasable space;” as referenced in Minutes of the Metra Board of Directors Briefing from September 16, 2005, page 4. Please include any and all amendments, attachments, exhibits, or other modifications to this RFP.
- Any and all proposals received in response to this January 2005 RFP, including but not limited to responses from “the Beitler Company with Friedman & Bass” and “Randolph Station Concourse Ventures” (as referenced in Minutes of the Metra Board of Directors Briefing from September 16, 2005, page 4). Please include any and all amendments, attachments, exhibits, or other modifications to these proposals.

Whatever fees are incurred for searching or copying these records, please inform me if the cost will exceed \$10.00. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information.

Thank you,

Noah Carson-Nelson
