Freedom of Information Officer, Metra
FOIA@metrarr.com

April 4, 2014

To whom it may concern:

This information request is a further narrowing of request 16-FOIA-067 for public records relating to the Millennium Station Concourse (f/k/a Randolph Street Station).

16-FOIA-067 was initially filed as a 13 bullet point request on March 14, 2016. On March 22 I received a request to narrow the request in scope of documents and time; following a telephone conversation with Ms. Kathleen Haton, I re-filed 16-FOIA-067 on March 22 as a request containing 3 bullet points. On March 30, this refiling of 16-FOIA-067 was denied. On April 4, I spoke with Thomas Stuebner and we agreed I would separate the documents requested on March 14 into separate, narrowed, requests documents which would cover fewer years will be submitted over a period of time going forward. I will be submitting periodically for the documents I initially requested, per the conversation with Mr. Stuebner.

Per the final line of Paragraph II of Metra's March 30 letter of denial, I am resubmitting a further narrowed version of 16-FOIA-067, requesting the following documents relating to public records relating to the Millennium Station Concourse (f/k/a Randolph Street Station).

- a. Exhibit "H" of the Lease between Metra and Beitler Millennium Station.
- b. Per Lease paragraph 49a, any and all "Settlement reports" and "Rent Reports" from Beitler Millennium Station to Metra from January 1, 2010 to December 31, 2014, including any and all amendments, attachments, exhibits, or other modifications to these settlement and rent reports.

Bullet a. is an addition to the March 14 request, but was not included in a response to my March 1, 2016 FOIA for Lease and all amendments.

Whatever fees are incurred for searching or copying these records, please inform me if the cost will exceed \$10.00. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information.

Sincerely,
