Thank you.

We appreciate your responding to our inquiry.

The tabulation does not indicate the award pricing per item or who the awarded vendor was. Are you able to supply us with this information?

Since the bid tabulation that was sent to us is from 2011, can you also tell us if there were any price increases since 2011, and what they were?

Thank you again for your help.

Good Morning,

As you requested, I have attached the previous bid tabulation sheet for Poly Liners.

I appreciate your continued interest in working with Metra.
