Good afternoon Officers,

There is a rebid procurement for the Janitorial Poly Liners for 3 years and is due 6/16/16. Could you tell me the winning total for 07426 and/or 07426A ? Up until now we don't appear to be competitive but I am curious why this is rebid. Thank you for your time. It is greatly appreciated.

Sincerely,  
Lee White
