RE: 16-FOIA-169 Documents - Retaining Wall

Dear Mr. Ochmanek:

We are in receipt of your request under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

On June 23, 2016, we received your request for:

- 1) Any and all documents confirming ownership/control of the retaining wall; and
- 2) Any and all documents regarding the repair, replacement, and maintenance of the retaining wall (“**Request**”).

After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request. Metra’s Engineering and Real Estate Departments state that the adjacent concrete retaining wall east of the railroad tracks is neither owned by Metra, nor located on Metra property. Consequently, there are no repair, replacement, or maintenance records related to the retaining wall. Additionally, attached is a map delineating the area in which Metra retains ownership in relation to the residences at 4501 W. Irving Park Avenue.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Sonserese Hatch
