Thanks Joseph

Kathleen

Under the freedom of information act, please provide me asap ALL the bids that were submitted for this contract the last time it was up for bid (I am guessing about 2 1/2 yrs ago) We are the current provider of the contract

The renewal bid is due on 8/11 and there is a tremendous amount of preparation work involved so I would really appreciate the information as quickly as you can possibly provide it

Please let me know when I can expect it

Thanks so much for your help

Have a wonderful weekend

Kind regards

Gary Pollack

Our Mission Statement:

We are committed to meeting our customers' needs with the highest quality compressed air equipment. We are dedicated to serving the needs of our customers in the most honest and respectful manner. We guarantee not to sell or rebuild any air compressor, which is defective or does not meet industry standards. We will foster an atmosphere of respect, integrity, and uncompromising quality for our customer, employees and company management alike.
