Dear Sir or Madam:

I have been looking on-line for a train Schedule for the BNSF Line Aurora –Chicago from 2014. Obviously, the website will not let me search for such a thing. I did call the Customer Service number and got transferred to the RTA number who then transferred me to a voice-mail box that is not accepting messages. I also called the FOIA number listed on the website and left a voice mail there. I just want to make sure that I can get an answer as to who I need to contact to get a schedule mentioned above. Electric form would be great, but I will take any form of the schedule I can get.

Please advise. Thank you for your assistance with this matter.
