Subject: Freedom of Information - Union Pacific North

Good afternoon,

I am working on a Phase 1 Environmental Inspection for the Housing Authority of Cook County. One of the residences I am inspecting is located near the Metra Union Pacific North Line. Would you be able to send me the answers to the following questions?

1. Train Type: Electric or Diesel?
2. Average Train Speed?
3. Engines per Train?
4. Railway cars per train?
5. Average train operations in one day?
6. Do the trains blow whistles and/or horns?
7. Are the tracks bolted?

Thank you for your help,

Nicole Bennett
