To whom it may concern,

On August 17, 2016, my vehicle was burglarized in a Metra parking lot. Officer J. Hancock investigated and prepared report MP-16-00030015. I need to obtain a copy of said report for insurance purposes. Please advise as to how and when I will be able to receive a copy of the report.

If you have any questions, please contact me at [REDACTED].

Sincerely,

Ramsey Mallory
