Hello,

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1, this is a Public Records Request for complete copies of all proposals submitted in response to Metra's RFP #215 for an Automated Communications and Onboard Reporting Network (ACORN). Based on the addendum found at (<https://metrarail.com/system/files/rfp215addendumno4.pdf>) it appears that the proposals for this RFP were due on or around May 24, 2018.

We would like to receive documents including, but not limited to, Price and Technical proposal submittals, Clarification Responses, BAFO proposal submittals and the agency's evaluation records. We prefer to receive this information in electronic format if possible. A mixture of electronic and photocopies is acceptable. We hereby authorize copying expenses at the legally prescribed rates up to \$500 in aggregate. Please advise us if the cost of reproduction will exceed this amount and we will respond with specific authorization.
