To Whom It May Concern,

I am the Owner of Des Plaines Honda Motorcycles located at 550 E. Northwest Hwy in Des Plaines, IL. On the early morning of Thursday June 13, 2019 we experience a theft between 12:01 a.m and 1:00 a.m. I am asking for the video footage from the street side camera's at the Metra Northwest Line Cumberland Train Station located on the 400/500 block of Northwest Hwy in Des Plaines, IL. We know the vehicles used in the theft did pass the Cumberland Station multiple times...If you have any question please feel free to reach out to me..

Thank You
