Good afternoon,

As one of your vendors, we are at this time, conducting our annual credit review of METRA. To complete this process, we are in need of your 2018 financial statements. We understand that the information will be posted on your website when it publicly available. However, to manage our workflow, I am writing to ask if there is an expected timeframe when this information will be made available. Any insight you can provide would be greatly appreciated.

Respectfully,

**Marc Greenberg**
