To whom it may concern,

I would like to request a copy of Metra's Invitation for Bids for IFB 39481 - Locomotive Wheels including the original bid package as published on Metra's "Metra and Business" website (<https://metrarail.com/about-metra/metra-business>) including all addenda that were published during the course of the solicitation. Should you need anything else please let me know and I look forward to your response.
