ANNUAL PROCUREMENT PLAN

Dear Vendors,

Thank you for your interest in doing business with Metra as either a prime contractor or subcontractor. To ensure we are continuing to provide awareness and access to the business community, Metra has developed an Annual Procurement Plan to assist you in your efforts to compete for contracting opportunities. Listed in this Procurement Plan are potential contracting opportunities for goods and services anticipated by Metra departments such as Engineering, Mechanical, Transportation, Safety, Finance, Information Systems and Materials Management.

Metra's purchasing functions are handled through Materials Management, which is comprised of three departments:

- **Materials & Services Procurement** purchases materials, equipment and various services.
- **Construction & Facilities Maintenance Procurement** procures goods and services related to capital and operating funded construction, facilities maintenance and other infrastructure projects.
- **Professional Services Procurement** contracts for architectural & engineering and information technology services.

This Annual Procurement Plan lists the potential contracting opportunities chronologically, according to the anticipated quarter for solicitation advertisement. The Plan divides these potential opportunities into five (5) major categories:

- Engineering Design (D)
- Professional Services (PS)
- Construction (C)
- Material (M)
- Other (O)

For additional information on how to use this Procurement Plan, please contact M. Chaudhry at 312-322-6603 or mchaudhry@metrarr.com

Finally, Metra's policy is to ensure that Disadvantaged Business Enterprises (DBEs) and Small Business Enterprises (SBEs) as defined in 49 CFR 26, have an equal opportunity to receive and participate in United States Department of Transportation (USDOT) assisted contracts. This Annual Procurement Plan identifies potential contracting opportunities for which DBE and SBE firms may choose to participate as a prime contractor or subcontractor. It is my hope that you will review the prospective opportunities as you continue to develop and sustain your business.

a recorded message. Your call will be
returned during normal business hours.

METRA'S OFFICE OF DIVERSITY & BUSINESS ENTERPRISE (ODBE)

Mission:

To ensure small, minority, and women owned businesses have equal opportunity to receive and participate in Metra's contracts.

It is Metra's policy to:

- Ensure non-discrimination in the award and administration of Department of Transportation (DOT) assisted contracts.
- Create a level playing field for Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE) firms to compete fairly for DOT assisted contracts by removing barriers to participation.
- Assist in the development of DBE/SBE firms so they can compete successfully outside of the DBE program.

For more information regarding ODBE, visit www.metrarail.com; select 'About Metra' link, select 'Metra and Business' link and then click on 'Business Diversity' link listed on the left side of the page to:

- Download DBE certification or SBE verification forms.
- View the Business Diversity Outreach Events and Free Workshops Calendar.
- View Frequently Asked Questions.
- View Annual Procurement Plan.
